

After School International

After School International combines an exciting mix of theme-based arts and craft activities with a variety of fun outdoor activities each day. The program begins daily at 2:30 pm for the kindergarteners and 3:00 pm for grades 1–2, with flexible schedules ending as late as 6:00 pm.

ISM Homework Lab

ISM Homework Lab combines the opportunity for 3rd–8th grade students to work in a homework friendly environment, while being able to utilize available resources on campus. The ISM Homework Lab is staffed with individuals who are there specifically to help students use these tools. The staff is also available to guide students through assignments, and help them stay on task, so that students can complete their work.

Please keep in mind; ISM Homework Lab is not a tutoring program.

Monthly Payment Schedule

October, December, March and June are considered half months, and the half-month payments will be due. **August, September, November, January, February, April and May** are considered full months, and the full-month payments will be due.
