January, 2009

Dear Community Supporter;

Our sixth annual “*World Neighborhood Gala*” is just around the corner. The International School of Monterey Foundation is looking forward to another successful event with the proceeds going directly to the school to help bridge the gap between the actual cost of educating each child and the financial support/ shortfall provided by the State of California.

We realize you receive many requests for sponsorship and/or donations and that there are a wide variety of worthwhile groups to support, but we hope you see the many benefits that the International School of Monterey provides for our children.

The International School of Monterey continues to educate all students toward becoming conscientious, compassionate and responsible citizens of the world. A tuition-free charter school, ISM has pioneered the world-renowned and innovative International School curriculum in a public school setting. ISM is considered to be a model for all public schools in California.

The World Neighborhood Gala is an event that the International School of Monterey Foundation is proud to host. This is our premier fundraising event that will be held on **Saturday, April 11, 2009 at the Hyatt Regency Monterey**. The highlight of the evening will be the silent and live auctions.

We would be delighted to have you participate in this year’s event. It is a wonderful opportunity to showcase your goods and/or services.

Your donation and or sponsorship will allow us to continue to provide an enriched learning environment for the children by incorporating language, culture, art and music into its regular curriculum.

Please return the enclosed form as soon as possible. We thank you in advance for your consideration and continued support.

Sincerely,

Carrie Miles
